# Where Your Support Goes

## Care Beyond the Exam Room

With four locations across northeast Indiana, Neighborhood Health provides:

- Medical
- Dental
- Behavioral Health
- Optometry
- Chiropractic Care
- Pharmacy
- WIC Services

Our Oxford location also features a Community Room that helps connect patients to community partners and resources beyond traditional healthcare.

Mystical Masquerade supports Neighborhood Health’s mission to connect uninsured and underinsured individuals and families to essential healthcare and support services.

Your support helps patients like Martin access care when they feel out of options.

Community health centers like Neighborhood Health reduce costly emergency room visits through preventive care, saving an estimated \$24 billion annually (National Association of Community Health Centers).

Donations help remove barriers to care for the patients and families who rely on Neighborhood Health every day.

To learn more about Martin’s story, visit the link or scan the QR code below.

Every ticket, sponsorship, and donation helps support accessible, compassionate healthcare throughout our community.
